Expiration date: The _____ day of _____, 20____

**SEE REVERSE SIDE FOR CONDITIONS FOR LOCATION CONDITIONS, REQUIRED
NOTARY STATEMENT AND INSTRUCTIONS**

CONDITIONS FOR EXPLORATION LOCATORS

1. Prior to commencing motorized exploration, the locator must submit to the director of the Department of Lands an exploration and reclamation plan including the following:
 - a. Name and address of the operator.
 - b. Location and description of the operation, plus the starting and estimated completion dates. Maps are to include location of access, streams, test or drill sites, stockpiles and any other pertinent information.
 - c. Anticipated size or extent of the operation, and the general method of operation.
2. "Motorized exploration" means exploration which may appreciably disturb or damage the land or resources thereon. This exploration includes, without limitation, drilling, trenching, dredging, or other techniques which employ the use of earth moving or other motorized equipment, seismic operation using explosives, and sampling with suction dredges having an intake size of greater than two inches (2").
3. Locator must receive written approval prior to commencing motorized exploration and submit a minimum bond in the amount of \$750.00. A larger bond not exceeding \$750.00 per acre may be required by the department depending on the size and scope of the operation.
4. All exploratory activities are to coordinated with the appropriate state supervisory area office.
5. All locators shall abide by the provisions of Idaho Code title 42, chapter 38 (Stream Channel Protection Act), where applicable and shall maintain stream water quality.
6. All locators shall abide by the provisions of the State of Idaho Rules and Regulations Governing Riverbed Mineral Leasing (IDAPA 20.10).

NOTARY STATEMENT

State of _____)
County of _____) ss

I, _____, do solemnly swear that I am a citizen of the United States of America (or have declared my intention to become such) and that I am acquainted with the mining ground described in this certificate of exploration location; that the ground therein described or any part thereof has not, to the best of my knowledge and belief, been located according to the laws of this state, and if so located that the same has been abandoned or forfeited by reason of the failure of such former locators to comply in respect thereto with the requirements of said laws, and that I have posted in a conspicuous place on said location a notice of discovery of mineral and of my intention to prospect for mineral, in compliance with Idaho Code section 47-703 and the conditions stated herein.

Subscribed and sworn before me this _____ day of _____, 20_____.
